Chapter 11 Case No.

(Jointly Administered)

**BANQUE BEMO SAL RESPONSE TO DEBTORS TWO HUNDRED FOURTEENTH OMNIBUS OBJECTION TO
DISALLOW AND EXPUNGE CERTAIN FILED PROOF OF CLAIM**

THIS OPPOSITION SEEKS TO OPPOSE THE DISALLOWANCE AND EXPUNGEMENT OF OUR CLAIM LISTED

UNDER CLAIM TO BE DISALLOWED AND EXPUNGED BY DEBTORS

Claim number: 13115
Date filed: 9/15/2009
Debtor: 08-13555
Amount: USD 110,000.00

**TO THE HONORABLE JAMES M. PECK
UNITED STATES BANKRUPTCY JUDGE:**

We are filing this objection based on the following facts:

We have duly purchased those financial instruments long time ago, when such instruments were considered by all financial experts as very good investments opportunities, and after the crash of Lehman group, we have filed our related claims with the expectations that being good faith holders of such financial instruments we are entitled to claim our rights in as much as such rights could be satisfied from the liquidation process,

and we object the fact of being excluded from the liquidation process for reasons that we cannot now understand, namely being prevented from any chances to recuperate a part, though it could be minimal,

and we have tried to mandate legal counsel office in the USA to represent us, but unfortunately such offices estimated, and we admit they are right, that our claims were for limited amounts, and the legal fees would be very high in accordance with claimed amounts.

Therefore we have had no other choice than filing ourselves our present objections, hoping that they will be accepted and we will have our chance similar to all other claimers in the liquidation process.
